I have answered the questions honestly on this application. I have also read the house expectations and boundaries and I understand that violation of the house expectations and boundaries could result in my expulsion from the house. I understand that the house for which I am applying for residency has been established in compliance with the Federal Anti-Drug Abuse Act which (A) Prohibits all residents from using any alcohol or illegal drugs, (B) Must expel any resident who violates such prohibition. In accepting these terms, I understand I am excluding myself from the normal due process afforded by local landlord-tenant laws.

I understand that my alcohol/drug testing will be sent in to Precision Toxicology. It will then be billed to insurance and if insurance doesn't pay for these services, I may be billed.

ADDITIONAL INFORMATION:

I have read all the material on this application form and would like to apply for residency in the Unity House. I agree to follow all the rules and conditions as outlined.
